**MEETING MINUTES:** Lots of members turned out for this month's meeting even though it has been so hot that most folks did not get a lot of hunting in. Hopefully the weather will ease up and we can get some good hunting in in Aug!

### **JULY CLUB HUNT**

This month's club hunt was held at Carrolton Park. I was unable to attend, but I hope folks found some goodies!

**TREASURER'S REPORT:** Tim Popp presented the Treasurer's report - accepted as read.

### **MEETING LOCATION:**

The meeting site is the **Old Woodson Terrace City Hall Building**, 9351 Guthrie Ave in Woodson Terrace, MO 63134. It is one block South of Natural Bridge Road at the

intersection of Woodson Road (Highway EE) and Guthrie on the East side of Woodson Road just behind the 7-11 on the corner.

Thanks to Doug for breaking everyone into groups and letting them get to know the officers and each other better. We will review the ideas members had to improve the club and look forward to making our club the best around! August presentation will be on Genealogy and family history by our own Jan Mason. Future presentations include: England trip and antique advertising to name a few. Additional presentations for meetings are being put into to place as plans and details of arranging them are worked out. Inputs from members is requested as to what they want to see, please inform Tim McNiff, Programs and Presentations committee chairman, or one

of the Board members.

**SAD NEWS:** It is with heavy hearts we inform the members of the passing of Bob Wilderman. Bob was a club member since 2000 and enjoyed the comradery of the club and coming to the meetings. He will be missed by many.

### **FALL HUNT IS COMING!!!**

Our Fall Hunt will be held on Sunday, 23 Sept at Turner Camp again this year! A hunt flyer is included in this month's newsletter and can be seen on the club website. We hope to see you all there! Volunteers to bury targets and prepare the site are needed on Saturday the 22<sup>d</sup> about 9:00 AM. At the August and September meetings, we will be selling the raffle tickets for the metal detectors, pin pointers, metal detecting equipment and silver rounds in case you can't make it to the hunt and still want a chance to win! We will have three hunts and our picnic again, but I expect the Huntmaster will have a few surprises for everyone this year!

**SAVE THOSE BLUE TICKETS!!** Save your blue attendance prize tickets as the club will have several prize drawings at the Fall Hunt specifically for those who attended the meetings. Increase your chances to win by attending!!

### **2018 "SCAVENGER HUNT" CONTEST !!**

Our 2018 "Scavenger Hunt" is well underway. The specific finds to detect are listed below. Prizes will be three silver rounds for first place, two for second, and one for third. **CLUB DUES CHANGED!!!!!!:** Club dues process has CHANGED!! Dues will now be due during

January for that year. It was agreed the club dues will rise from \$25 to \$30 if not paid by the April meeting. This change is due to the time-consuming task of attempting to keep track of the by-month system. This will save the officers a significant amount of time each month. The dues will remain at \$25.00 for individual membership and \$10.00 for each additional family member living at the same address. Pay at a meeting or mail your dues payment to our treasurer, Tim Popp, at the address at the beginning of this newsletter.

**CLUB WEBSITE:** The club website:

[www.midwestcoinshooters.com](http://www.midwestcoinshooters.com) is still in place. Roger will serve as webmaster and update the site as necessary with help from the new officers. If you have a good metal detecting story or another item you would like to add to the website, you can email him at [horrom@charter.net](mailto:horrom@charter.net) with the write-up and it will be added to the website.

**FMDAC:** Membership payments for the FMDAC for 2018 will begin at the January 2018 meeting. If you want to learn more about the FMDAC and its activities, you can check it all out at their website:

[www.fmdac.org](http://www.fmdac.org). It is assumed the membership cost will be \$5.00 for 2018. The club treasurer will accept payment and mail payment off to the FMDAC and new membership cards will be distributed once received. It takes five members to become an "official FMDAC club" and currently our club is not listed on the FMDAC website as at least five members didn't join last year.

**INFORMAL GROUP HUNT:** The Aug club hunt will be determined at the meeting. As in the past, these hunts provide new inexperienced members and the more experienced members to get together to share comradery, provide guidance, share tips, and provide a teaching experience. These

hunts are completely informal with starting time and quitting time at the attendees' discretion. Hunt sites are determined by their potential chance to provide older, historic finds and are available with proper permission for a group of members to hunt. These sites include older parks, school grounds, or even private property.

August: TBD

September: FALL HUNT!!

October: TBD

November: TBD (weather permitting)

**NEW HUNT SITES:** We are always looking for new sites as the same old parks become boring and decent finds getting fewer. If any member has an idea or access to an informal hunt site – one that would accommodate about 20 hunters, please let an officer know. **To encourage members obtaining new hunt sites able to handle 20-30 members, the club agreed that a member will get a silver round or dollar for finding a spot for the club to have a monthly hunt!**
