MEETING MINUTES: Lots of members turned out for this month's meeting to get the results on the Spring Hunt and the June Club Hunt. Everyone was ready to get out there!

SPRING HUNT 2018

The Club's **Spring Hunt** was held on Saturday, May 19 at Spanish Lake Park. Many club members attended with several nice finds detected. These include a Shield nickel, 1917 Standing Liberty Quarter, several Mercury Dimes and numerous wheat cents in addition to the tons of clad. Prizes were given out for the 10 prize categories.

JUNE CLUB HUNT

This month's club hunt was held at John Brown Park in Woodson Terrace. Several people found modern dollar coins to include an Eisenhower dollar. Some others found

several jewelry pieces. Everyone I spoke to had fun and found some coins.

TREASURER'S REPORT: Tim Popp presented the Treasurer's report - accepted as read.

MEETING LOCATION:

The meeting site is the **Old Woodson Terrace City Hall Building**, 9351 Guthrie Ave in Woodson Terrace, MO 63134. It is one block South of Natural Bridge Road at the intersection of Woodson Road (Highway EE) and Guthrie on the East side of Woodson Road just behind the 7-11 on the corner.

Thanks to Mark Avery for his demonstration of how gold coins read on various metal detectors. In addition to learning what gold sounds like, many club members were drooling over the display of gold coins Mark

brought with him. Surprised he didn't need a police escort home!! Upcoming presentations include: England trip and antique advertising to name a few. Additional presentations for meetings are being put into to place as plans and details of arranging them are worked out. Inputs from members is requested as to what they want to see, please inform Tim McNiff, Programs and Presentations committee chairman, or one of the Board members.

SAVE THOSE BLUE TICKETS!! Save your blue attendance prize tickets as the club will have several prize drawings at the Fall Hunt specifically for those who attended the meetings. Increase your chances to win by attending!!

CLUB DUES CHANGED!!!!!!: Club dues process has CHANGED!! Dues will now be due during January for that year. It was agreed the club dues will rise from \$25 to \$30 if not paid by the April meeting. This change is due to the time-consuming task of attempting to keep track of the by-month system. This will save the officers a significant amount of time each month. The dues will remain at \$25.00 for individual membership and \$10.00 for each additional family member living at the same address. Pay at a meeting or mail your dues payment to our treasurer, Tim Popp, at the address at the beginning of this newsletter.

CLUB WEBSITE: The club website: www.midwestcoinshooters.com is still in place. Roger will serve as webmaster and update the site as necessary with help from the new officers. If you have a good metal detecting story or another item you would like to add to the website, you can email him at rhorrrom@charter.net with the write-up and it will be added to the website.

FMDAC: Membership payments for the FMDAC for 2018 will begin at the January 2018 meeting. If you want to learn more about the FMDAC and its activities, you can check it all out at their website: www.fmdac.org . It is assumed the membership cost will be \$5.00 for 2018. The club treasurer will accept payment and mail payment off to the FMDAC and new membership cards will be distributed once received. It takes five members to become an "official FMDAC club" and currently our club is not listed on the FMDAC website as at least five members didn't join last year.

INFORMAL GROUP HUNT: A schedule of 2018

monthly informal group hunt sites will be e-mailed to all and is also listed below. As in the past, these hunts provide new inexperienced members and the more experienced members to get together to share comradery, provide guidance, share tips, and provide a teaching experience. These hunts are completely informal with starting time and quitting time at the attendees' discretion. Hunt sites are determined by their potential chance to provide older, historic finds and are available with proper permission for a group of members to hunt. These sites include older parks, school grounds, or even private property.

July and August: TBD

September: FALL HUNT!!

October: TBD

November: TBD (weather permitting)

NEW HUNT SITES: We are always looking for new sites as the same old parks become boring and decent finds getting fewer. If any member has an idea or access to an informal hunt site – one that would accommodate about 20 hunters, please let an officer know. **To encourage members obtaining new hunt sites able to handle 20-30 members, the club agreed that a member will get a silver round or dollar for finding a spot for the club to have a monthly hunt!**
