CLUB DUES CHANGED!!!!!!: Club dues process has CHANGED!! Dues will now be due during January for that year. It was agreed the club dues will rise from \$25 to \$30 if not paid by the April meeting. This change is due to the time-consuming task of attempting to keep track of the by-month system. This will save the officers a significant amount of time each month. The dues will remain at \$25.00 for individual membership and \$10.00 for each additional family member living at the same address. Pay at a meeting or mail your dues payment to our treasurer, Tim Popp, at the address at the beginning of this newsletter.

CLUB WEBSITE: The club website: www.midwestcoinshooters.com is still in place. Roger will serve as webmaster and update the site as necessary with help from the new officers. If you have a good metal detecting story or another item you would like to add to the website, you can email him at rhorrrom@charter.net with the write-up and it will be added to the website.

FMDAC: Membership payments for the FMDAC for 2018 will begin at the January 2018 meeting. If you want to learn more about the FMDAC and its activities, you can check it all out at their website: www.fmdac.org . It is assumed the membership cost will be \$5.00 for 2018. The club treasurer will accept payment and mail payment off to the FMDAC and new membership cards will be distributed once

received. It takes five members to become an “official FMDAC club” and currently our club is not listed on the FMDAC website as at least five members didn’t join last year.

INFORMAL GROUP HUNT: We are always looking for areas to hold a monthly club hunt. If anyone has more ideas, please bring them up! These hunts provide new inexperienced members and the more experienced members to get together to share comradery, provide guidance, share tips, and provide a teaching experience. These hunts are completely informal with starting time and quitting time at the attendees’ discretion. Hunt sites are determined by their potential chance to provide older, historic finds and are available with proper permission for a group of members to hunt. These sites include older parks, school grounds, or even private property. We are always looking for new sites as the same old parks become boring and decent finds getting fewer. If any member has an idea or access to an informal hunt site – one that would accommodate about 20 hunters, please let an officer know. **To encourage members obtaining new hunt sites able to handle 20-30 members, the club agreed that a member will get a silver round or dollar for finding a spot for the club to have a monthly hunt!**

October: Forest Park AND Hidden Valley Ski Lodge

November: TBD (weather permitting)
