**CLUB WEBSITE:** The club website: www.midwestcoinshooters.com is still in place. Roger will serve as webmaster and update the site as necessary with help from the new officers. If you have a good metal detecting story or another item you would like to add to the website, you can email him at <a href="mailto:rhorrom@charter.net">rhorrom@charter.net</a> with the write-up and it will be added to the website.

**INFORMAL GROUP HUNT:** We are always looking for areas to hold a monthly club hunt. If anyone has more ideas, please bring them up! These hunts provide new inexperienced members and the more experienced members to get together to share comradery, provide guidance, share tips, and provide a teaching experience. These hunts are completely informal with starting time and quitting time at the attendees' discretion. Hunt sites are determined by their potential chance to provide older, historic finds and are available with proper permission for a group of members to hunt. These sites include older parks, school grounds, or even private property. We are always looking for new sites as the same old parks become boring and decent finds getting fewer. If any member has an idea or access to an informal hunt site – one that would accommodate about 20 hunters, please let an officer know. To encourage members obtaining new hunt sites able to handle 20-30 members, the club agreed that a member will get a silver round or dollar for finding a spot for the club to have a monthly hunt!
